JULY 30, 2011

The Sofa Super Store Fire - Rising from the Ashes of Tragedy:

On June 18, 2007, the Charleston (SC) Fire Department suffered the loss of nine (9) firefighters during the tragic events of the Sofa Super Store fire. Following this event, Charleston Mayor Joe Riley enlisted the expertise of an outside panel to investigate the events of this tragic night and to analyze the operations of the Charleston Fire Department in relation to nationally recognized best practices and existing professional standards. This multi-media presentation will provide an overview of the events of June 18th and a detailed description of the Post-Incident Assessment and Enhancement Review Task Force recommendations and findings. This presentation promises to be an eye-opening session filled with transferable lessons for improving firefighter safety & survivability throughout the country.

JULY 31, 2011

10 Step Action Plan for a Safer, More Effective Interior Fire Attack:

Today's fire-ground continues to mystify even the most knowledgeable and experienced fire service experts. Changes in modern building construction, coupled with the advancements in firefighting technology have brought about a desperate need to adjust our traditional tactics. This high-impact, high-energy program will provide attendees with a 10 Step Action plan on how to safely initiate an effective interior fire attack including interactive sessions involving; size-up, hose line deployment, fire stream management, progress reporting, and much more.

The cost will be only \$25 per student
